Going The Distance

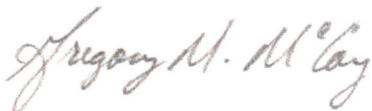

SAFETY POLICY STATEMENT

Foodliner, Inc. is committed to providing our employees, customers, associates, and the general public with the safest working conditions and procedures possible, while continuously following all Federal, State and local regulations. This commitment to safety starts with Foodliner's senior management, diligently developing all policies and procedures with safety as the primary goal. Every Foodliner employee has a tremendous impact toward maintaining a safe working environment and culture.

All employees have the duty and responsibility to work in a safe and efficient manner by eliminating unsafe acts and environments to ensure the future success of Foodliner through the minimization of accidents and injuries.

SAFETY WILL ALWAYS TAKE PRECEDENCE OVER EXPEDIENCE

This philosophy is evident in all facets of our company's operations, from the recruitment and hiring process to the constant training and development of our employees.
